Re: APPROVAL O.U. 4
TREATABILITY WORK PLAN

Mr. Jack R. Craig
Project Manager
U.S. DOE FEMP
P.O. Box 398705
Cincinnati, Ohio 45239

Dear Mr. Craig:

The purpose of this letter is to approve the Revised O.U. 4 Treatability Work Plan. As a point of clarification, it is our understanding that treatability studies such as durability to be conducted in optional phase will be submitted in a work plan addendum to Ohio EPA and U.S. EPA for review. If this is not acceptable or if you have any questions please contact me.

Sincerely,

Graham E. Mitchell
Project Manager
